

Hugglets Teddy Bear Festivals

Thank you for requesting information about our Festivals at Kensington, London.

Due to the popularity of these events we receive very many requests for exhibitor space. For spaces that become available we do not operate a waiting list on a first come first served basis but rather assess all potential exhibitors for flair and originality as well as quality of workmanship. Advertising in the UK Teddy Bear Guide is also taken into consideration.

Once we receive your response form and photo(s) we will acknowledge receipt and keep them on file for reference whenever spaces become available. New enquiries for stand space are generally considered nine months prior to each event.

If you do not hear from us there is no need to reapply, but we suggest you send an update of your photographs or information approximately every 12 months.

To register your interest please complete and return the enclosed form together with photograph(s) of your bears & related items (or description if a dealer). Stand prices currently vary from £145 to £190. There is no VAT payable.
